

Functional Outdoor Jacket With Stretchy Comfort

Item NO.:GL8726

This men's jacket is made from 2 layers of innovative T800 lightweight functional fabric.

Product Introduction:

This men's jacket is made from 2 layers of innovative T800 lightweight functional fabric. The entire jacket is waterproof, breathable and windproof. The printed membrane and contrast color waterproof zippers make the whole jacket even more attractive. The wearer can adjust the tightness by using elastic strings on the hood and bottom. There are 3 pockets to store your personal belongings.
